Celebrated author Susan Gregory’s latest mystery, *The Body in the Thames* follows Thomas Chaloner on the hunt for a murderer

“Gregory’s exciting, intrigue-filled fifth mystery featuring English spy Thomas Chaloner reinforces this British author’s place in the front rank of those penning historicals in the genre.” —Publishers Weekly on *A Murder on London Bridge*

CHICAGO: During the summer of 1664, tensions run high in London as war with the Dutch threatens to become a reality. In a last-ditch effort to secure peace between the two countries, a delegation from the Netherlands is gathered at the Savoy Place. With many acquaintances on the delegation, Thomas Chaloner is disgusted by the treatment of his Dutch comrades in London and even more so by the thought of another futile war.

When his former brother-in-law is murdered in *Body in the Thames: Chaloner’s Sixth Exploit in Restoration London* (Sphere, an imprint of Little, Brown Book Group, July 2011) by Susanna Gregory, the detective sets off on a gripping quest to decipher the enigmatic clues the dead man has left for him. He soon finds the murderer’s motive might be linked to a conspiracy to incite war between the two nations.

The thrilling sixth installment in the *Thomas Chaloner Mysteries, The Body in the Thames* expertly captures the atmosphere of Restoration London, while interweaving a captivating, deadly plot.

Susanna Gregory is the pseudonym of a Cambridge academic who was previously a police officer. She is the acclaimed author of the *Matthew Bartholomew Chronicles* and the *Thomas Chaloner Mysteries*. She is also part of a group of celebrated writers, known as the Medieval Murderers, who pen historical crime fiction anthologies.

Also available in the *Thomas Chaloner Mysteries*:

* A Murder on London Bridge, ISBN: 9780751541823
* The Butcher of Smithfield, ISBN: 9781847440624
